Who is Monsanto?

Monsanto is an agriculture company with more than 20,000 employees focused on making a balanced meal accessible to everyone. We work to help farmers produce food in a more sustainable way. We think about how our food is grown so farmers have the tools they need to have better harvests.

We believe that bringing diverse perspectives together is the most effective way to develop creative solutions to some of the world's biggest challenges. Career opportunities at Monsanto range from farming, plant breeding and engineering to marketing, environmental science, IT and many other areas. We're always looking for exceptional professionals interested in developing a strong career while collaborating to develop solutions for sustainable agriculture. Sound like a job for you?

Why work with us?

- Life at Monsanto means collaborating with dedicated professionals in a stimulating environment.
- Our people demonstrate our winning culture through positive and meaningful relationships.
- You will work with market leading brand products in a global organization.
- We provide competitive salaries, excellent benefits, and some of the best career development opportunities in the industry.
- Monsanto is named Great Place to Work in many countries around the world.
- **Join our global team where your contribution will make a real difference!**
